THE STORY THUS FAR

After being accepted into high school, Kanori and Kazumi became best friends. Following a blind date, Kanori starts dating Kouta while Kazumi starts dating Ena. One day, Kanori catches Ena cheating. However, Kazumi tries to ignore it and ends up feeling hurt, distancing herself from Kanori. On the other hand, Kazumi has fallen deeply for Ena. During all of this, Kazumi ends up getting raped by Ena's senpai, Miyata. She tries to forget about that truth but when she sees Ena walking with another girl she becomes emotionally staggered and meets up with Miyata to discuss it. Kanori hears the things that have been happening from Kouta and Ena's senpai, Yurika. Kanori becomes furious after hearing that Ena agreed to do it and tries to let Kazumi know. But, because of that, Kazumi avoids Kanori even more. After much deliberation, she finally decides to tell Kouta but finds out that he already knew about it. .?!

We often think that our problems stem from the differences between men and women.

Isn't that just a convenient excuse?

All I hear are these words of defeat, but

I wonder if the day I'll understand will come too

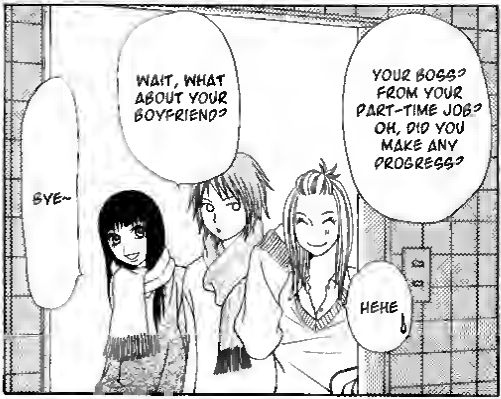
I KEEP GETTING THESE WEIRD MAILS LATELY
I EVEN GET THEM DURING CLASS.
LOOK, CREEPY!
I'VE ALSO BEEN GETTING STRANGE PHONE CALLS AT HOME.



I GOT MY BIG BRO TO ANSWER AND IT SEEMS LIKE THEY WON'T CALL AGAIN, THOUGH
SERIOUSLY? THEN I'LL ASK MY BOSS FOR A HAND TOMORROW.
Ah, can we go in?
BATHROOM (GIRLS)

I WONDER IF SHE HEARD US JUST NOW
DUNNO
AH WELL, SHE LOOKED LIKE SHE WAS IN A RUSH SO IT SHOULD BE FINE
OH YEAH, SHE DIDN'T EVEN TALK ABOUT FINDING HERSELF A JOB SINCE
SHE PROBABLY DOESN'T EVEN REMEMBER WHAT SHE SAID
Hahaha~ !
THAT'S POSSIBLE~
WHATEVER, FORGET SAKAGAMI! HOW ABOUT THAT BOSS OF YOURS?
Malicious gossip

Sometimes it can be hard to deal with the things you hear.
SORRY FOR THE WAIT ~
after mixing with the real heart
is like a foolish part of the heart that eventually disappears
AH, WELCOME BACK KANORI~
LET'S GO THEN~
T/N: In the boxes, I think she means that rumours mix with truth, they're unclear and blend in with surrounding sounds, and sometimes they get to you (in both senses: they reach you and they may hurt you before people throw them away)
Anyway, here they are.
Ta-dah~
I don't really trust guys though!
HMM... YOU CAN'T KNOW UNTIL YOU SEE THE REAL DEAL
Which one which one
NOT BAD!
HE SAID TWO OTHERS WOULD COME
